### *Timing of the Engagement*

We expect to begin our services outlined above upon receipt of this executed Agreement and receipt of all information required for the preparation of complete and accurate returns.

### *Extensions of Time to File Tax Returns*

The original filing due dates for your tax returns are April 15, 2021 for Federal and April 15, 2021 for Local Returns, if applicable. **Due to the high volume of tax returns prepared by our firm, the information needed to complete the tax returns must be received no later than February 28, 2021 so that the returns may be completed by the original filing due dates.**

Our office files extensions within the month of February. We automatically file extensions to accommodate the filers that have not yet submitted their information and to accommodate our internal workflow so that we can continue to focus on returns closer to the actual filing due date. **By signing this document, you approve of this automatic extension for 2020 and 2021 tax years.** While we file the extension automatically for 2021, a separate engagement letter will still be required to communicate and approve of the tax return engagement for that tax year.

### *Penalties and Interest Charges*

Federal, state, and local tax authorities impose various penalties and interest charges for non-compliance with tax laws and regulations including failure to file or late filing of returns, late filing of payment and underpayment of taxes. You, as the taxpayer, remain responsible for the payment of all tax, penalties, and interest charges imposed by tax authorities. Failure to disclose or inadequate disclosure of income or tax positions may result in the imposition of penalties and interest charges.

### *Tax Return Pick up*

Upon completion of the tax returns listed above, our office will prepare a digital packet with copies of all filed returns which are placed for your records on the firm's secure portal. Payment Vouchers for Federal and State tax liabilities and quarterly estimated tax vouchers, when applicable, will be located on the portal. Our office will provide a summary coversheet with instructions for you via e-mail. You are responsible to check your e-mail for our correspondence and contact our office should you not receive any correspondence from our firm.

### *Professional Fees*

The invoice for the tax services outlined above will be provided when the preliminary tax return has been completed and is ready for your review. This fee is based upon the complexity of the work to be performed, time, and out-of-pocket expenses. This fee is dependent upon the timely delivery, availability, quality, and completeness of the information you provide to us. Invoices are expected to be paid upon receipt. You agree to pay all fees and expenses incurred whether or not we prepare the tax returns.

Services will not be initiated until we receive the executed Agreement even if documents have been received to process your return(s).

We appreciate the opportunity to be of service. Please date and execute the enclosed copy of this Agreement and return it to us to acknowledge your acceptance.
